RE: Induction Evening

Dear Parent / Guardian,

Over the last three weeks your son / daughter has chosen the A Level and / or BTEC level 3 courses that they will be undertaking over the next two years. Given that this important decision has now been made, I would like to invite you and your child to a year 12 induction evening on Wednesday 24th September from 5:00pm- 6:00pm.

The induction evening will allow staff, including our Principal Mr Burns and Mr Cooling, Vice Principal responsible for sixth form, to talk to you about how we are building upon the excellent A Level results achieved by our sixth form students this summer. In view of the fact that the transition to level 3 study can prove challenging, we will also be informing you about the various ways in which your child will be supported over the next two years. The evening will of course provide you with the opportunity to ask any questions you may have about our sixth form and the courses that your child has decided to undertake.

We are committed to ensuring your child reaches their full potential during their time in the sixth form and look forward to meeting you on Wednesday.

Yours faithfully,

D Grimes
Mr D Grimes
Head of Sixth Form
