

Our ref OFA/ABS/TC

21 September 2015

Dear Parent/Guardian

Many thanks for your support it has been an excellent start to term.

Open Evening 24 September 2015

In order to prepare for our open event, the academy will close at 1.25pm for students on Thursday 24 September. We appreciate that this may inconvenience some parents and, as such, will supervise students until 3.10pm if needed. Should you require this service, please let the academy office know.

Any student in receipt of 'free school meals' will be able to collect their meal before leaving the academy.

Should you wish to join us at the Open Event, you are more than welcome. The event takes place from 6pm until 8.30pm.

Traffic on Wrights Lane

At the moment we are experiencing extremely high volumes of traffic in the afternoon, which is difficult for both yourselves and local residents. Can I ask for your patience and possibly to park a little further away and walk down and fetch your children, or arrange for them to meet you. We will monitor the situation, which usually settles down after a few weeks. If it doesn't improve, we will open the Waggon Street exit at the end of the day.

My priority, as is yours, is ensuring all of our children are safe.

Yours faithfully

Andrew Burns
Principal
