21 September 2015

Dear Parent/guardian

Thank you for expressing an interest in your son/daughter opening a HSBC bank account through the academy.

On Monday 28th September 2015 the HSBC branch will be open in the academy for the bank accounts to be opened. Once the account has been opened their debit cards and bank details will be sent to their home address. Your child can then deposit money monthly into their account through the academy bank. Details of opening days are shared through the academy Facebook site.

Please could you complete all parts of the application form and include £10 deposit to go into your son/daughter's account and return to room 19 on Monday 28 September 2015. Their form tutor will allow them out of their PSHE lesson to do so. Any queries please do not hesitate to email me at 'claire.bennett@oatforge.co.uk'.

Yours faithfully

C Bennett
