

Dear Parent

As part of our Key Stage 3 curriculum, year 7 and 8 pupils receive Skills for Learning lessons each week in which they develop skills such as creative thinking, curiosity, teamwork and leadership. On Wednesday 17th June, we are holding a Year 8 Skills afternoon for our Year 8 pupils to show parents the work they have been doing in these lessons. We are immensely proud of what the pupils have achieved, and would love the opportunity to share this with you.

You are invited to arrive at the Academy at 3.00pm for a short presentation about the Skills curriculum, followed by a look at some of the work pupils have done this year. Please report to Main Reception on arrival, where year 8 pupils will meet and greet you. Year 8 Parents Evening will then begin at 4.30pm, with refreshments being served prior to this so you have a chance to relax and read your child's report before speaking with our staff.

Please return the reply slip below to Progress Tutors by Monday 8th June so that we have an idea of numbers for the Skills afternoon. If you cannot attend at 3pm, we would still very much like to see you at the Parents Evening later on.

Yours faithfully,

Jess Thomas

Skills Co-ordinator

I will/will not be able to attend the Year 8 Skills afternoon on Wednesday 17th June (delete as appropriate).
