

Information Evening: Student Finance and Higher education

Dear Parent/Guardian,

I would like to invite you to a Student Finance information evening on **Thursday 6th November** at **5:30pm**. This is aimed at parents of students in year 11-13.

If your child chooses to go to University they will have two main costs — tuition fees and living costs. Depending on your child's circumstances, their course and where they choose to study, there is a range of financial support to help with both.

Student finance can be a complicated process and the financial implications of studying at university can sometimes put students off applying. We want to provide you and your child with all the information you need to make an informed decision about Higher Education.

Anne Snell from ***The University of Birmingham*** will talk to us about Student Finance, Scholarships and Bursaries. She can offer expert advice about what is available for your child and discuss common myths and facts about student finance in general.

Please arrive at reception at 5:15, students are welcome to attend. We look forward to seeing you there.

Kind Regards,

Tracey Beech
