Dear Parent/Carer

This letter is to formally invite you to accompany your child to our Sixth Form open event being held on Thursday 7 December 2017. Doors will be open from 5.00pm until 7.00pm.

During the evening you will be able to see the wide variety and quality of courses we have to offer students for life after year 11. Also in attendance will be a number of universities and The Access Project, who help students improve their grades further by supporting their applications to top universities. In addition, staff who deliver our ground-breaking football scholarship programme will be available to speak about the scholarship.

In 2017 we achieved our best ever results:

- 84% of students attained 3 or more A level passes, 55% with 3 A levels at grades A* - C and 100% with 1 or more A level pass
- The average grade achieved by students undertaking vocational subjects was a Distinction

The academy also has an outstanding record of 100% of leavers going to university, work or apprenticeships.

The support we offer students both pastorally and academically is second to none. Each and every student is important to us and we hope to enable them on the next stage of their journey.

We look forward to welcoming you.

Yours faithfully

D Grimes
