I. Policy statement and principles

I.1 Policy aims and principles

This policy is designed to ensure there is an open and fair admissions procedure for all applicants and to help guide parents and their children through the application process. The academy's admissions arrangements will not disadvantage unfairly, either directly or indirectly, a child from a particular social or racial group, or a child with a disability or special educational needs, and that other academy policies do not discourage parents from applying for a place for their child.

This policy details the academy's arrangements for admissions and will apply to all admissions for the academic year 2018-19 and beyond. This includes in-year admissions within this period.

Parents are encouraged to visit the academy with their child if they are planning to apply for a place. We have a number of open days during the year, these will be publicised on the academy website and on social media. Arrangements for visits outside these dates can be made through the academy office.

The Academy Trust will consult on the admissions arrangements at least once every seven years or if there are proposed changes to the admission arrangements which require consultation.

This policy is consistent with all other policies adopted by OAT / the academy and is written in line with current legislation and guidance.

I.2 Monitoring and review

This policy will be reviewed annually or in the following circumstances:

- Changes in legislation and / or government guidance
- As a result of any other significant change or event
- As the result of a decision of an Adjudicator
- In the event that the policy is determined not to be effective

If there are urgent concerns these should be raised to the Principal in the first instance for them to determine whether a review of the policy is required in advance of the review date.

2. Academy admissions

The academy admits students between the ages of 11-19. The main intakes are:

- Secondary
- Sixth form

We encourage entry at the academy's main intake time so as to aid academic progression without interruption, however, applications are welcome for entry in any year.

2.1 Definitions

The academy uses the following definitions when applying this policy:

Distance

This is the straight line distance between the academy main gate and the child's home address (front door).

Where two dwellings with the same front entrance the closest dwelling to the front door (lower floor and counting clockwise) will be regarded as being closer to the academy.

Dual address

Where a child lives at two different addresses, the 'home' address will be determined as the address at which the child resides for the majority of school nights. School nights are Sunday night to Thursday night inclusive. In a case where the child spends an equal number of school nights at each address, then the address where the child benefit is paid will be used. Where no child benefit is claimed the address used to register the child with a doctor will be used.

Siblings

A sibling is defined as:

- A brother or sister (including half brothers or sisters) who shares one or both parents, whether or not resident in the same household
- A step brother or sister where the two children are related by a parent's marriage
- An adopted or foster child living in the same household under the terms of the residents order
- Another child living in the same household where the adult has parental responsibility

In the case of twins or other children from multiple births (two or more siblings in one year group) and where only one place is available, the application will be considered together as one application.

2.2 Eligibility criteria

Entry to the academy is subject to the regulations regarding nationality, residency status and eligibility to study in the United Kingdom. Students / pupils are eligible to be admitted to the academy if:

- They are British citizens and / or EU nationals
- They are a non EU national that has –
 - 'Exceptional' or 'Indefinite Leave to Remain' in this country
 - Refugee status

2.3 Waiting list

If the number of applicants exceeds the number of places available, children who have been refused a place will be automatically placed on a waiting list unless there is a specific request that this should not happen. The child may gain entry to the academy if a place becomes available.

The academy will maintain a waiting list until 31 December following the main academy intake each September. Each added child will require the list to be ranked again in line with the academy's oversubscription criteria in which the application was originally considered. Priority will not be given to children based on the date their application was received or the date when they were added to the list.

2.4 Withdrawal of a place

The academy will only withdraw an offer of a place if:

- The place was offered in error
- Acceptance of the place was not received in a reasonable period of time
- The offer was obtained through a fraudulent or intentionally misleading application (the academy may request evidence to ensure the child meets the admissions criteria) – if this occurs the application will be considered afresh

The academy will not withdraw the place if the student has started at the academy unless the place was obtained fraudulently. If this is the case, then the academy will decide whether to withdraw the place based on the circumstances including the length of time the child has been at the academy.

2.5 Determining arrangements and consultation

Admissions arrangements will be set annually, this will happen even if there are no changes from previous years and a consultation is not required.

If the academy changes any significant aspect of the admissions procedure, then OAT will be informed prior to making changes and beginning the consultation process. Any significant changes proposed by the academy must be approved by OAT.

The academy will consult on admissions arrangements when changes to the academies arrangements are proposed (no consultation is required for an increase in the Pupil Admission Number or changes to ensure compliance with the admissions regulations). Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that we must consult on our admission arrangements at least once every seven years, even if there have been no changes during that period.

We will publish any consultation for admissions on our website and notify appropriate stakeholders. If there are any substantive responses to the academy's consultation, then these will be sent to OAT. Any subsequent changes will be made will be in consultation with OAT.

Once our admissions arrangements have been determined we will notify the appropriate bodies and publish a copy of the determined arrangements on our website.

2.6 Admission of children outside their normal age group

Parents may seek a place for their child outside their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. If parents wish to do this they must contact, in the first instance, the Vice-Principal responsible for Inclusion. Contact with the academy must be made at the earliest opportunity to avoid any delays in the application process.

The decision whether a child is admitted outside of their normal age group will be made on a case by case basis by the academy's governing body. A panel of at least three governors will consider the admission request based on the student's:

- Academic ability
- Social and emotional development
- Views of the parents and principal; and
- Any additional relevant information available

The panel will have to be satisfied that the child would be able to cope with the work of the year applied for and that the student would be able to cope with the personal development whilst being with a year group who are of a different age. In order to support any application parents will need to submit evidence to demonstrate that the admission into a different year group is in the best interests of the child.

Once the governing body has made a decision the child can then apply to the academy using the process detailed in this policy. Parents have a statutory right to appeal against the refusal of a place however this right does not apply if the child is offered a place at the academy but it is not in their preferred age group.

2.7 Complaints about admissions arrangements

Any person, or body, can make an objection to the Schools Adjudicator when they consider the academy's arrangements are unlawful, or not in compliance with the School Admissions Code / relevant legislation relating to admissions.

Complaints about the appeals panel can be made to the Secretary of State.

3. Secondary admissions
